

WELCOME TO BABYLON

We are passionate about seasonal, local, delicious food and try to use local ingredients wherever possible. We source as much as we can from our kitchen garden and greenhouse and only use free range, locally sourced meat and eggs.

Our menu is small, freshly prepared and uses high quality ingredients. Every week, our chefs create a beautiful range of lunchtime specials using the very best of what is available. Check the board to see what's being served today.

SERVED UNTIL 3.00PM

There are lots of options for vegetarians and vegans and we can adjust dishes to accommodate food allergies or intolerances.
